Experience

Motion Graphics Artist and Editor

November 2021 - Present

Spotzen, Inc. | Austin, TX

I worked on multiple productions as a primary editor for online educational content, often being involved in their development from concept exploration to final delivery. I was often required to create work that could be translated across multiple platforms and formats, and frequently participated in the creative process behind many of our shows on an as-needed basis.

Branding and Marketing Internship

April 2020 - September 2020

Compliance With the Cloud Corporation | Round Rock, TX

I developed a corporate identity and branding for projects while integrating themes and motifs into motion sequences, while also being responsible coordinating voice actors for audio messages. I was also required to attend and participate in daily project meetings with clients to constantly review project deadlines and goals, and maintain professional standards of behavior, while also managing multiple addendums to production results.

Career Services Administrative Assistant

January 2020 - March 2020

Ringling College of Art and Design | Sarasota, FL

I operated as a professional liaison between students and faculty in regards to professional queries, and facilitated workplace operation by maintaining the workflow pipeline and coordinating with other departments regarding transfer of data and communication.
